

Informative note

The Governing Board calls for prudence and responsibility in the face of the existing situation, safety for the health of all users must prevail .

The capacity of the pool area will be limited to 75%, that is, to an occupation of no more than 63 people, provided that the safety distance of 1.5 meters can be respected .

Remember the obligation to disinfect your hands with the hydro alcoholic gels located at the entrance to the premises and inside the toilets.

Pool Hours: 10:00 a.m. to 9:00 p.m.

So that all residents can enjoy the pool, when the capacity is full, its use is requested for periods of 2 hours, and it is prohibited to invite family and friends who do not live in the apartment blocks. We also request compliance with the following rules:

01.-Maintain the social distance of 1.5 meters between the different coexistence units ((those from the same apartment).

02.-The Controller will verify the capacity at all times, as he commanding authority within the pool. It is requested to obey his instructions and assist in the rotation of pool users.

03.- It is forbidden for more than 3 people to be in the Jacuzzi at the same time (keeping their distance, unless they are people who live in the same apartment).

04.-Mandatory showering before and after using the pool.

05.- Use of sun loungers. The use of mattresses or mats is not recommended, the user is encouraged to use their own personal towel.

06.-It will be mandatory for each user to register in the pool access control sheets, a measure recommended by the Health Department to see traceability in case of infection.

07.-The toilets will be open, but their use being only in case of emergency.

08.-The use of mats, floats, balls, etc. is prohibited.

09.-Do not share objects, such as game or toys, with other coexistence units (families)that are in the pool.

10. -Do not go to the pool if you have any symptoms compatible with the COVID-19

11.- Do not go to the pool if you are under quarantine or home isolation.

In the event of non-compliance with the regulations, the Community could be forced to close the facilities.

We thank you all for your collaboration.
